Powell River Action Centre Society – Food Bank
Client Service and Care
Policy - 2024

Food Quantity

The policy of the Powell River Action Centre Society Food Bank is to fill monthly hampers with the equivalent of approximately 21 meals, which equates to one week of food.

Hampers are filled according to the number of people who require food i.e.: single, couple, single parent, two parent, family, senior, special food needs.

Our belief that no one in our community should go hungry drives the policy further to never turn anyone away. We will "top-up" anyone with more food if they come to us more than once per month with enough food to last a minimum of two extra days.

Annually the board will receive a report from senior staff documenting the results of several surveys gathered from the clients and will discuss adjusting hampers accordingly if required.

Minutes of board meetings will document discussions and decisions.

Results of stakeholder's surveys are also presented to the board at least quarterly and these results will factor in to their discussions and decisions.
