It is the Policy of the Powell River Action Centre Society Food Bank that Link 2 Feed is the data collection and dissemination program used.

All intakes will be entered into the Link 2 Feed program when new clients come for their intake.

All data of client monthly visits will be entered into the Link 2 Feed program.

All required Hunger Count questions will be asked. If a client does not wish to participate, the visit will be recorded as an anonymous visit and no one will be denied a hamper based on not answering questions. The answers recorded will be “prefer not to answer”.
